Note from Director

Welcome to Boone County S.T.A.G.E.'s production of ***Back to the 80s...The Totally Awesome Musical!*** I would like to take this time to thank you, the audience, for coming out and supporting S.T.A.G.E. in our 19th year of theatrical magic. Since its foundation in 1998, S.T.A.G.E. has been the only county-wide fine arts program that serves students from schools all over the district, and this year, for the first time, adult actors as well. We are so excited to have formed a new partnership with the staff of the Running Right Leadership Academy, and would like to take this time to thank them for their endless hospitality in the use of this beautiful, state of the art, facility.

Over the past 19 years, S.T.A.G.E. has produced the following musicals: *Grease* (1998,2006,2014) *Wizard of Oz* (1999/2007), *Cinderella* (2000/2015), *Sound of Music* (2001), *Annie* (2002), *Mr. Scrooge* (2003), *Hello Dolly* (2004), *Lil' Abner* (2005), *Bye Bye Birdie* (2008), *There's a Monster in my Closet* (2009), *Into the Woods* (2010), *Aladdin* (2012), *Alice in Wonderland Jr.* (2012), *Willy Wonka* (2013), *Beauty and the Beast* (2014), and *Mary Poppins* (2016).

Through the years, S.T.A.G.E. has provided an artistic platform for numerous students promoting personal growth, exposure to future career opportunities, developing lifelong friendships, and creating memories that bind our community together. Decades go by, fashions fluctuate, but great music NEVER goes out of style. We hope that you will sit back, in your nicely cushioned seat, and enjoy the performance.

Story Synopsis

Remember when actors became American Presidents? When bubble skirts and blue eye shadow were cool? When Atari was cutting edge technology? From the era that brought the world the Rubik's Cube, *Max Headroom*, and *The Teenage Mutant Ninja Turtles* comes this 'totally awesome' musical in the style of movies such as *Back to the Future*, *Ferris Bueller's Day Off*, *The Karate Kid*, and *Sixteen Candles*.

The story tells of the senior class of William Ocean High School that graduated in the 1980's, as remembered and seen through the eyes of Corey Palmer who is now an adult. The young Corey is madly in love with the girl next door, Tiffany Houston, who is one of the coolest girls in school. Tiffany is too busy mooning over Michael Feldman, the hottest guy around. Michael and his cool crew are athletic and good-looking...the kind of guys that Corey and his best friends dream of being. But while Corey may not be the coolest, he's still one up on Feargal McFerrin III, whose best friend is his computer and who believes the crazy notion that one day CDs will replace cassette tapes.

There are lots of disappointments in school: Michael steals Corey's election speech and promises the girls a kiss for their votes to win Class President, Corey despairs even more when Tiffany becomes Michael's Vice President, Eileen Reagan is mortified when Michael and his gang send fake love letters, teachers Mr. Cocker and Miss Brannigan break up when Mr. Cocker discovers a centerfold photo of her in a swimsuit magazine, and Billy Astley can't seem to get a date for prom.

But with show-stopping tunes like *Kids in America*, *Love Shack*, *Centerfold*, *Man in the Mirror*, and *Girls Just Wanna Have Fun*, you can't be sad for long. High-energy dance routines, copious amounts of blue eye shadow, twenty cans of hairspray, and 80's memorabilia will have you singing and laughing along. Take a journey with us... *Back to the 80's!*
